As per last few years we will be having a machine set up at the back of the audience / competition area. We are asking all competing barista to share their talent with the audience, by giving 20 minutes of their time to prepare drinks on the machine during the day – after your presentation of course! We will ask for donations for the drinks, with all the proceeds going to Coffee Kids (coffeekids.org)

The UK Chapter of the SCAE runs a number of events throughout the year to promote the UK Barista Championship and promote barista skills, and will call upon the winner and finalists to assist with these events. Participation in these events would be done on a voluntary basis although expenses will be paid. We do hope you will be happy to help with this, and share your skills around!
